# NATIONAL STEAM SUMMER CAMP

SCHOOL'S OUT!

Let's have fun creating, innovating, and exploring STEAM!

**July 12-14 | 11 AM - 4:30 PM EST**

## Enjoy a flexible schedule

Only attend the activities you want to attend! Many of the activities will be on a drop-in drop-out basis, but we encourage you to stay for the whole session!

## Expect fun activities

- Digital Art
- Robots
- Astronomy
- Chatbots, and so much more...

## Where & When

The camp will take place virtually from -

**July 12 - 14, 2022**

**11 AM - 4:30 PM EST**

(times vary slightly each day). Activities in the morning for the eastern regions of Canada will be repeated in the afternoon for the west!

## Why should I care?

- Build new friendships across Canada
- Learn from experts across Canada
- Build relevant STEM skills
- Participate in daily competitions
- WIN swag

## Next Steps

- [REGISTER](#)
- Expect to receive a follow-up email in the next coming weeks with program details and required actions!
- Some of the interactive activities will require household supplies!
